## Public & Group Tours

At South Mississippi's premier marine education and conservation center, visitors of all ages will be engaged in a fun, hands-on learning experience that will help them understand and appreciate the species that make our Gulf Coast waters unique.

Experience underwater adventures on the big screen in our auditorium. Encounter horseshoe crabs, sea stars, freshwater turtles and other marine life in our discovery room.

Explore our marine museum featuring aquatic exhibits and a fossil dig. Enjoy one of our animal presentations. Reservations are required.

## Sea Explorer's Club

IMMERSE YOURSELF IN THE WONDERS OF THE SEA!

Looking for something fun and unique to do on the weekend? Join the CMER Sea Explorer's Club. Every Saturday, CMER offers classes that explore a variety of marine themed topics and activities including kayaking, fishing, snorkeling, and arts & science encounters.

Check our website, [www.IMMS.org](http://www.IMMS.org), for event dates and times. Call to reserve your class today.

## Dolphin Programs

Get up close and personal with one of the world's most intelligent animals. Dolphin presentations are included in every tour, weather permitting. Get a little closer with our Dolphin Encounter Program where you will get to sit with a trainer and help with a training session. Or get right in the water with our Dolphin Interaction Program. Space is limited. Reservations are required.
